MEDICINAL. JUST IN TIME.

A motorman in Chicago ran his car into the approach of an open bridge but stopped it with the fender actually overhanging the gulf below. He wouldn't want to repeat the experiment because the chances are that he'd never again have the same good fortune.

Once in a while some one who has traveled to the very edge of the danger line of stomach disease stops just in time to save his health. But the majority of people go across the line, and slight symptoms of indigestion grow to disease of the stomach, involving the other organs of digestion and nutrition.

The first symptom of indigestion should receive prompt attention. Indigestion and other forms of stomach "trouble" are perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the whole body by enabling the perfect digestion and assimilation of food.

"I have been suffering for about eight years," writes Mrs. H. Pierce, of Millington, Pa. "I have had several doctors to treat me—some for female weakness and others for stomach trouble, but received no relief. When I wrote you for advice you kindly sent me a bottle of your medicine, and what to do. I began to take your medicine and the effects have been good. I was under the doctor's care every summer before this. I took nine bottles of your 'Golden Medical Discovery,' four of 'Favorite Prescription,' also two vials of the 'Pell's.' Dr. Pierce's medicine will do all that you claim for them. Believe I would have been in my grave if I had not taken them."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach.

FREE. Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

CATARRH Nasal Catarrh

In all its stages there should be clean, healthy mucus.

Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large size, 50 cents; at drug stores by mail, trial size, 10 cents by mail. ELY BROTHERS, 56 Warren Street, New York.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small per cent. of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, cleans and soothes, producing the following results:

- (1) Relieves the cough.
- (2) Makes the breathing easy.
- (3) Cuts out the phlegm.
- (4) Draws out the inflammation.
- (5) Kills the germs (microbes) of disease.
- (6) Strengthens the mucous membranes.
- (7) Clears the throat.
- (8) Relieves the feverish condition.
- (9) Removes every cause of the cough and the lung trouble.
- (10) Enables the lungs to contribute pure, life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty little 'dead woman.' One Minute Cough Cure saved me." MARY F. SPILLMAN, Grand Rapids, Mich.

Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as

PARKER AND SHIVELEY.

"Alton B. Parker for President, Benjamin F. Shiveley, of Indiana, for Vice-President. That is my ticket. These two men represent pivotal States—New York and Indiana. With their names at the head of the next national democratic ticket, I feel confident we can carry the country."

This statement was made yesterday by Senator Fred T. Dubois, of Idaho.

"In order that the democrats may win next year," he continued, "we must carry such States as New York, in the East, and Indiana in the Middle West. We can hope to gain nothing, for instance, by the nomination of Richard Olney, for it is not likely that he could carry even his own State. Judge Parker is a man of high grade, clean cut, of excellent personal and political record and a man who enjoys the confidence and respect of the people."

"Such also is Judge Shiveley. I have looked over the entire field and have come to the conclusion that no better selection could be made."

"I have been asked recently whether it is likely that William J. Bryan will be a factor in the next national election. Upon every occasion I have replied most emphatically in the affirmative. Bryan must enter into the transaction as a consideration through his personality, his worth, and because he has commanded practically the unanimous support of his party in two national campaigns."

"While some of the issues which he represented are no longer occupying attention, it cannot be gainsaid that Mr. Bryan's great personality must be considered. He will not be a candidate for the nomination. I am able to state this by authority. And probably he could not be nominated if he were a candidate."

No one recognizes that fact better than Mr. Bryan himself. But if it is undertaken to prosecute the next campaign without Mr. Bryan's aid and advice the calculations of the managers will go amiss. Mr. Bryan's friends are just as much devoted to him now as they ever were, but they, as well as he, recognize that new issues have come to the fore. These issues have been made by events and not by men. Issues are the products of Providence and not the works of politicians or statesmen."

"I think the democrats in the next campaign," concluded Mr. Dubois, "will advocate the remodeling of our tariff system. The law now on the statute books is unjust. No man who is posted on the facts of that many of our products are being sold abroad at a price below that commanded at home. We should not reduce our duties too much because we are face to face with enormous expenditures annually, and a great proportion of the revenue collected at our custom houses is required."

MILLIONAIRE SNOW'S DEATH.—Mrs. Snow, wife of James Herman Snow, the millionaire clubman and manufacturer who died in the apartments of Mrs. E. Spencer Hall, in the Hoffman Arms, New York, at midnight Thursday, arrived at the apartment house yesterday morning just as her husband's body was being carried out by the employees of an undertaking establishment. Mrs. Snow repeatedly stated that she was with her husband visiting Mrs. Hall when he died. She said that Mrs. Hall was her friend, and that she often visited there. She indignantly denied that there were domestic troubles between herself and Mr. Snow. There is, however, some mystery connected with the matter which may never be divulged. Edwin Cole, when he learned the story told by Mrs. Hall, denied that his aunt, Mrs. Snow, was in Hall's apartments at the time of his uncle's death, or that he had ever seen or heard of Mrs. Hall. Mr. Cole declined to make any further statement. He was told of the conflicting statements. "Yes, I know," he said, "they are conflicting, but they will have to stand that way. I do not care to undertake to set matters straight; better let it drop."

ASSAULTED BY NEGRO MINER.—On the mountain between Pocahontas, Va., and Coopers, W. Va., yesterday afternoon Harvey Williams, a negro coal miner, 45 years of age, assaulted Mary Jones, the 13-year-old daughter of a white coal miner, and left her for dead. The child, however, regained consciousness and sufficient strength to crawl to her home, where she managed to tell what had happened before again losing consciousness. The story of the crime spread through the community like wildfire, and in less than a half hour several posses were scouring the surrounding country for the negro. A party of officers located Williams in the mountains near Pocahontas. He was taken to Bramwell and placed in jail. They were passing along a mountain path, when she was seized by Williams and carried into the woods, where he assaulted her. The child, but the latest news from there is to the effect that the negro will be lynched. People are crowding into the little village of Pocahontas to see the body.

MISS MONIE BOWEY,

No. 38 Perry Street, DETROIT, MICHIGAN.

A couple of winters ago I slipped on a frozen sidewalk and fell flat on my back. On being examined I found that I had sustained internal injuries which held me up for more than two months. After that I noticed that I had pains in the back and groin which I never had before. I doctored and doctored for several months but as the pains increased I decided of growing better I decided that I was not having the right treatment. Reading in the papers of the wonderful cures performed by Wine of Cardui I wrote to one of the parties and received a very satisfactory reply and I immediately sent for some. In a very short time I felt generally better and after seven weeks faithful use I was once more well and strong. I have never had a sick hour since and I daily bless your splendid medicine.

Wine of Cardui makes women more womanly by curing their weakness and making them stronger. Wine of Cardui cures Miss Bowe's. As a medicine for all women in every trying period of their lives can you think of a better medicine for yourself, your sister, your daughter or your mother? Can you think of a more acceptable present to give your friend than a bottle of this medicine which will bring her health and happiness? You are suffering? Your duty is to rid yourself of this pain. If your daughter, mother, sister or friend is sick and in need of relief, your duty is equally great to them. Many women, now well, owe their lives to friends who brought them Wine of Cardui.

Wine of Cardui is adapted to women at any age in any walk of life. For the working woman it gives her strength for her tasks and better treatment than a doctor for very small cost.

Your druggist will sell you a \$1.00 bottle of Wine of Cardui. Secure the medicine today. Take it in the privacy of your home. Relief will come to you as surely as you take it.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.

BLOWING MACHINES A REALITY.—Thomas Hart, of Muncie, Ind., vice president of the American Window Glass Company, which is placing blowing machines in its plant, says there is no truth in the report that the company may go back to the use of human blowers, provided that the men will work for less money. He says the human blowers will not be employed again. He also denies the report that it takes an expert to operate a blowing machine. "It would take an expert to learn all he needs to know about one of these machines," Mr. Hart said.

A NEW REMEDY.—The old friends of Chamberlain's Cough Remedy will be pleased to know that the manufacturers of that preparation have gotten out a new remedy called Chamberlain's Stomach and Liver Tablets, and that it is meeting with much success in the treatment of constipation, biliousness, sick headache, impaired digestion and like disorders. These Tablets are easier to take and more pleasant in effect than pills, then they not only move the bowels, but improve the appetite and correct any disorders of the stomach and liver. What's In a Name?—Everything is in the name when it comes to Witch Hazel Salve. E. C. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises, and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits.
